A NEED OF MORE OPERATORS. AN OLD PRINTER

Railways Say That the Supply Yar Below the Demand—Missour Pacific Alone Could Use About 100 Men — Opportunities in the Positions as Pointed Out by W.

M. Corbett.

Kanma City Star "Every railroad in the West is need of telegraph operators. They are in greater demand now, it seems, than they have ever been. I wish I We could find places for them

Mrs. Emmett Cunningham will road.
shortly return to her home in Paduall."
Sah, Ky., she will be accompanied by S. A. Clark, chief clerk to E. Gould, general superintendent of the Missouri Pacific railway, was talking this morning. He said that good operators were being grabbed up by all the Western lines, and they are nunting for more. Wages that run from \$50 to \$125 a month are being paid, and operators who work up to

county, Mo., stockman was represent-ed on the St. Louis market Tuesday rom \$125 to \$160. MORE SHOULD BE STUDYING.
"I don't believe as many young men
are studying the key as should be, to Col. Adam Oldham, of Hatton, w in Mexico on business Wednesday.
Col. Oldham reports the growing crops looking exceedingly well in this section of Callaway county. supply the railroads needs," Mr. Clark said. "The railway systems are growing larger, expanding into all sections of the West, but the number of operators does not show a correspond

> W. M. Corbett, superintendent of the Chicago & Alton railway, made

"Young men who have spent seven or eight months learning the telegraph key have obtained positions which pay their way to something better," Mr. Corbett said. "For instance, we had an operator at Mexico, Mo., who was Breckenridge, Texas, where she has accepted a position with the telephone company of that piace. Her many friends wish her much success in her studying medicine. He put in all his spare time at books. At another place, a smaller station, a young man tudied electricity and mechanical ngineering.

TO COLLEGE WITH THE MONEY. "After he got all the book knowledge he could out of school he went to college on money he had saved while working as telegraph operator at the little station.

It soothes, refreshes, strengthens and purifies the stomach, bowels and kidneys. A tonic that prevents summer troubles. Such is Hollister's Rocky Mountain Tes. 35 cents, Tes or Tablets. C. A. Buckner & Co. hours' actual work in a day. He earns 850 or 855 a month, pays 810 or 815 for coard, and in the quietude of the sta-tion has ample time to study. I don't who can neither read nor write, acknow of a better opportunity any-where for young men who,can't afford college educations".

Mr. Corbett said the operators are cording to report made by the educaconvention of women's club at Joplin the other day. And what is even

making more money than cierks in stores, and in many instances more money than factory employes. And their work, he said, is cleaner, easier sition as cashier in the Mexico city, but now of St. Louis, will be and in many ways nicer. And yet the og Co.

married Wednesday, July 10th., to supply is not equal to the demand.

Miss Bessie Wright, of St. Louis. The The operator spoken of by Mr. Corett, was young Withrow who was re-Toalson, of this city, the latter part

Lake at Frances. Withrow attended Barnes Medical College, St. Louis, in the winter and worked as a telegrapher during vacation.

It's like a summer breeze; cools, re-freshes and builds up your wasting energies. Hollister's Rocky Mountain Tea is the most effective summer tonic. 36 cents, Tea or Tablets. C. A. Buckner & Co.
